Students Graduate Career and Life Ready

How EFHS plans to increase dual credit course enrollment:

- Master schedule will be completed and students will sign up for classes before leaving for summer.
- Parent and student meetings will be held for each grade level explaining dual credit, CTE, pathways, etc.
- TSTC, ETBU and Panola will hold “College Day” events on our campus
- We will take junior and seniors to visit TSTC, Panola, and ETBU
- We will have former students return and tell how college has impacted their lives.

Staff Trained in Technology Programs and Devices

Plans for further technology training over programs and devices

- Peer led one on one or small group training - Each campus will have designated staff member on site that can assist staff members needing assistance.
- The Instructional Coaches will provide assistance as needed.
- Create a school-wide culture of tech integration and make it relevant.
- Make time for professional development throughout the school year.
- Survey technology needs
- Admin supporting staff and celebrating their willingness to use technology.
