## School Board Self-Evaluation

The EFISD school board uses the Lone Star Governance Integrity Instrument to self-evaluate quarterly as a means of monitoring whether or not their adult behaviors are increasingly focused on improving student outcomes. The Lone Star Governance Integrity Instrument is a continuous improvement framework, used for quarterly self-evaluations on researched based behaviors, for school governance teams that commit to focus on improving student outcomes. The School Board Self-Evaluation scores are tracked using the Lone Star Governance Quarterly Progress Tracker.

#### Evaluation Notes:

The standard of evidence for items where board action is required will be the minutes of the meeting during which the board voted to take the described action. Where an opinion is required, a resolution or vote passed by the board will meet the standard of evidence. Any board completing a self-evaluation using the LSG Integrity Instrument that is supported or reviewed by an LSG Coach may submit the review for the LSG Leaderboard. If the board would like their self-evaluation reviewed by LSG Coach, please email the completed LSG Integrity Instrument to [LSG@tea.texas.gov](mailto:LSG@tea.texas.gov).
