Elysian Fields Independent School District

RE: Excellent No Findings Administrative Review Award Letter

Dear Elysian Fields Independent School District:

Congratulations for achieving operational excellence in the National School Lunch Program. The results of your most recent administrative review revealed an exceptional commitment to compliance. A "No Findings" determination is an accomplishment worthy of recognition from your peers, your community, and the Texas Department of Agriculture (TDA). You will receive TDA resources you can use to provide widespread communication for your achievement.

In addition to operational compliance, you have demonstrated your dedication to providing high-quality meals and exceptional service. These efforts ensure the young Texans in your community have the nutrition they need to succeed. You also provide a foundation of nutritional knowledge that will help them develop lifelong healthy habits.

I am honored to partner with you as we work to build a healthier future for the great state of Texas. Please use this opportunity to build recognition for your program and all the things that the National School Lunch Program brings to the young people of Texas.

Sincerely,

Lena Wilson
Assistant Commissioner
Food and Nutrition Division
